One more peck.

One more step.

One more tickle on the tummy.

One more face that is funny.

One more cartoon.

Five more minutes in this cocoon.

One more stray  
to befriend.

One more minute  
and I swear I'll be back.

One more centimetre and it would have banged.

One more night  
to crack the books.

One more night  
heading back  
from the clubs.

One more kiss before I go.

One more time  
alone by the phone.

One more hug  
to help me forget.

A clean cut hair and I like myself so much

One more plush toy  
to pack away.

One more flight  
to get up there.

One more piece of furniture to assemble.

One more key so I have access!

One more step along the aisle.

One more picture to remember.

One more tear  
to be held back.

One more belly to caress.

One more run to the hospital.

One more deafening bleat!

A pair of games  
to complete.

One more lap,  
then off to bed.

One more excuse being told.

One more spoonful  
to be swallowed.

And a nap  
before the news.

One more Christmas to be celebrated.

One more moment  
to be cherished.
