We all have music inside us.

Sometimes she hides so well,  
that we can't see her.

Other times she's so shy,  
that we can't hear her.

For some, she's slow and occasionally yawns a little.

There are the ruffled and slightly angry ones...

Sometimes we can hear them when they ring  
like bells on feast days.

Some music digs into the earth  
like the roots of a tree.

We all have music inside us.  
Can you hear her too?
